ST. PETER'S HOSPITAL.

OBJECTS FOR WHICH ESTABLISHED.

St. Peter's Hospital is intended for persons of both sexes suffering from Stone in the Bladder and other diseases of the genito-urinary organs. Its objects are—

First.—To benefit as large a number as possible of suffering poor by affording them, without a letter of recommendation, the advantages of hospital accommodation.

Second.—To improve Medical and Surgical knowledge on this special subject, by bringing together a large number of patients afflicted with these diseases, and thus affording opportunities for observation and classification.

Third.—In persons suffering from Stone: to investigate the best means of accomplishing its removal with the least possible danger to the life of the patient, and whenever practicable to substitute Litholapaxy for Lithotomy.

REPORT

OF THE

COMMITTEE OF MANAGEMENT

TO THE GOVERNORS AND SUBSCRIBERS

For the year ending December 31st, 1933.

MY LORDS, LADIES AND GENTLEMEN,

The Committee of Management have much pleasure in reporting that the work of St. Peter's Hospital was maintained at its traditional high standard during 1933. The fact that the year under review was the first complete one since the re-organisation of the Hospital, commenced in August, 1929, makes the following statistical comparison of considerable interest :—

—		Number of Beds.	Occupied Daily.	Total Admissions.	Operations Performed.
1928	...	32	30·9	581	479
1933	...	39	37·1	812	616

There was a satisfactory attendance of out-patients, whilst increased demands on the departments of Pathology and Radiology were dealt with expeditiously and efficiently. Full statistical details will be found on pages 16 and 17.

Changes in the Resident Staff.

During the year Mr. S. N. Lytle, F.R.C.S., and Mr. Angus Walker Smith, F.R.C.S.(E.), completed their terms of office

as Resident Surgical Officer and House Surgeon, and Mr. S. Scher, F.R.C.S., and Mr. J. E. Semple, M.D., F.R.C.S., were appointed in succession.

The Late Mr. Morden S. Levy.

Through the death of Mr. Morden S. Levy, who was a member of the Committee of Management for over twenty years, the Hospital sustained a great loss. Besides being a generous contributor to its funds, Mr. Levy exercised his influence on its behalf in many directions.

The Committee of Management.

The Committee have much pleasure in welcoming Messrs. G. A. Thomas, C.I.E., and James Harrington, M.I.E.E., who joined them during the year, and whose professional and other experience will be of great assistance to the Hospital.

Since the end of the period covered by this Report, the Committee have been further strengthened by the inclusion of Messrs. H. Edmund Mathews, F.R.I.B.A., and Eric Leigh, who have accepted invitations to serve.

Ladies' Association and Linen League.

The Committee are deeply grateful to the members of the Ladies' Association for their continued enthusiastic work on behalf of the Hospital. Their contribution of £350 to the reduction of the building debt was most acceptable, and the generous assistance given by the Association to necessitous patients requiring instruments and appliances, or in need of convalescent treatment, was of inestimable value. A number of useful articles for the wards and operating theatre were provided by the Linen League.

Presentation of Surgical Instruments.

The Committee of Management are very grateful to Sir John Thomson-Walker for the valuable gift of his collection of surgical

instruments, many of which have been added to the Hospital's inventory. Sir John also presented a large number of sketches and illustrations of considerable professional interest, which form a welcome addition to the facilities already available for post-graduate teaching.

Masonic Church Service.

On April 2nd, 1933, a Masonic Church Service was held in St. Paul's Church, Covent Garden, in connection with the Hospital. A very substantial sum was received in reduction of the building debt, and keen interest was displayed in the work of the Institution by the large number of influential Freemasons who took part in the impressive ceremony.

A deep debt of gratitude is due to those representatives of Masonic Lodges who carried out the work of making the preliminary arrangements, but especially to the United Engineers' Lodge who, together with the Covent Garden Lodge, were primarily responsible for the success of this splendid undertaking.

Accommodation for Paying Patients.

The accommodation provided for patients of moderate means whose condition requires surgical treatment, but who are unable to meet the expense of full professional fees and nursing-home charges, has proved a great boon to many sufferers. The Hospital has also obtained from this source a substantial proportion of the cost of its maintenance.

Receipt and Expenditure Account.

The total income for 1933 was £11,586, an increase of £893, and expenditure was reduced by £466 to £12,204, the net deficiency of £618 comparing very favourably with that of £1,977 in 1932.

The Committee of Management are deeply grateful to a widening circle of supporters for the substantial increase in

donations and subscriptions, and they also greatly appreciate the additional support received from the King Edward's Hospital Fund and the Metropolitan Sunday Fund. Contributions from patients show a substantial improvement, due very largely to the widening influence of that most valuable adjunct to hospital finance, the Hospital Saving Association.

The measures adopted during the year to supervise each item of expenditure proved very effective, and the Governors may rest assured that every economy, consistent with efficiency, is being exercised in the management of the Institution.

Full comparative details are to be found on pages 12 and 13 of this Report.

General Financial Situation.

The appeal for funds to reduce the building debt was continued during the year, and a generous response was received. The total, together with additional contributions to the "Edwin Fox Fund," appears in the balance sheet on page 14.

It is, however, most necessary to take further active steps to reduce the debt, and the Committee are confident that by widespread appeal, both general and personal, a still greater number of the charitable public will be influenced to contribute, so that the Hospital may advance in its great work of healing and teaching unhampered by financial difficulties.

In conclusion, the Committee wish to record their sincere gratitude to those friends whose generous support has been of great encouragement to them in their administration of the affairs of the Hospital.

ON BEHALF OF THE COMMITTEE OF MANAGEMENT,

PATRICK KINNAIRD,

Chairman.

SURGICAL REPORT

1933.

DURING the year 1933, 812 patients were admitted, 616 operations being performed, with 32 deaths, making an operative mortality of just over 5 per cent. Two cases died without being submitted to operation.

DISEASES OF THE PROSTATE.

Two hundred and twenty-six cases of prostatic disease were admitted. Of these, 142 were for uncomplicated benign enlargement, 20 for enlargement with associated conditions, 14 for fibrous prostate, 8 for prostatic abscess, prostatitis and associated conditions, 36 for carcinoma of prostate, and 6 for post-prostatectomy obstruction. There were 230 operations performed on the above with 20 deaths.

Details of operative mortality are :—

Prostatectomy.—137 cases, with 19 deaths. Of these there were :—

- (i) Uncomplicated benign enlargement, 103 cases, with 14 deaths.
- (ii) Complicated benign enlargement, 14 cases, with 1 death.
- (iii) Carcinoma of prostate, 10 cases, with 3 deaths.
- (iv) Fibrous prostate, 10 cases, with 1 death.

Cystotomy was performed on 35 cases of benign enlargement without a death.

The complications of benign enlargement of prostate were :—

- (a) Prostatic calculi, 2 cases.
- (b) Vesical calculi, 9 cases.
- (c) Vesical diverticulum and stone, 1 case.
- (d) Suprapubic fistula, 2 cases.

Per-urethral endothermy was used on :—

8 cases of benign enlargement, 1 death.

2 cases of fibrous prostate, no deaths.

3 cases of carcinoma of prostate, no deaths.

2 cases of post prostatic obstruction, no deaths.

Carcinoma of Prostate.—Of 34 cases, 19 had suprapubic cystotomy done without mortality, and 10 were treated by prostatectomy with 3 deaths.

Three cases were treated by per-urethral endothermy, and 2 by endothermy through a suprapubic cystotomy, without mortality.

DISEASES OF THE BLADDER.

There were 292 admissions, including 166 for papilloma, 40 for carcinoma, 3 for carcinoma and enlarged prostate, 39 for calculus, 9 for suprapubic fistula, and 3 for diverticulum.

For 29 cases of carcinoma, the following operations were performed :—

- (i) Partial cystectomy, 11 cases, with 1 death.
- (ii) Partial cystectomy and prostatectomy, 1 case, with no deaths.
- (iii) Cystoscopic diathermy, 10 cases, with 1 death.
- (iv) Radium by cystotomy, 4 cases, with 1 death.
- (v) Radon seeds (cystoscopic implantation), 2 cases, with no deaths.
- (vi) Transplantation of ureters, 1 case, with 1 death.

There were 150 operations on papilloma of the bladder, treated as follows :—

- (i) 139 by cystoscopic diathermy, with no deaths.
- (ii) 7 by open diathermy, with 2 deaths.
- (iii) 2 by excision, with no deaths.
- (iv) 1 by cystotomy, with 1 death.

There were 3 cases of papilloma with complications, as follows :—

- (a) Papilloma and clot retention after cystoscopic diathermy treated by cystotomy.
- (b) Papilloma and stricture treated by dilation and cystoscopic diathermy.
- (c) Papilloma and hydrocele treated by cystoscopic diathermy and radical operation.

There were no deaths in this series.

Thirty-eight cases of vesical calculi were operated on without mortality, 19 were submitted to litholapaxy, 17 to suprapubic lithotomy, 1 to diverticulectomy with removal of calculus, and 1 to dilatation of suprapubic sinus with removal of calculus.

In 3 cases a suprapubic sinus was closed successfully by operation. 1 case of diverticulum was submitted later to a secondary cystotomy.

DISEASES OF THE KIDNEY AND URETER.

There were 113 admissions, from which 77 cases were submitted to operation, with 3 deaths. These included 42 cases of renal calculi, 11 of ureteric calculi, and 3 of renal and ureteric calculi. There were also 21 cases of renal tuberculosis, 13 of hydronephrosis (2 associated with nephroptosis), 6 of new growth of kidney, and 1 of papilloma of ureter. There were 2 cases of pyonephrosis and 1 case of nephroptosis.

The operations performed were :—

Nephrectomy in 34 cases, with no deaths.

Nephro-ureterectomy in 2 cases, with no deaths.

Nephro-lithotomy in 14 cases, with 2 deaths.

Pyelo-lithotomy in 6 cases, with no deaths.

Uretero-lithotomy in 2 cases, with no deaths.

DISEASES OF PENIS AND URETHRA.

There were 70 cases admitted, 55 operations being performed, with 2 deaths.

There were 47 cases of urethral stricture with, and without, complication. Of these, 13 cases were treated by dilatation only. The remainder were operated on with 2 deaths, one following cystotomy for congenital stricture, and the other following internal urethrotomy and cystotomy.

There were 5 amputations of the penis without mortality, 1 for gangrene after radium treatment, and the remaining 4 for growth.

TESTIS AND EPIDIDYMIS.

Eighteen cases were admitted, 21 operations being performed without mortality. Orchidectomy was performed in 9 cases, of which 6 were epididymo-orchitis, two having developed in patients recently submitted to prostatectomy. Epididymectomy was performed in 3 cases for tuberculosis and in 1 case for chronic non-tuberculous inflammation.

MISCELLANEOUS.

The majority of 94 admissions were for investigation by cystoscopy and pyelography. There were included 2 cases of hyperpiesis with renal symptoms, 3 of oxalaria and 2 of enuresis. Two operations were performed without mortality.

REGULATIONS.

1. ST. PETER'S HOSPITAL is intended for persons of both sexes suffering from Stone in the Bladder and other diseases of the genito-urinary organs. Its object is—

First.—To benefit as large a number as possible of suffering poor by affording them, without a letter of recommendation, the advantages of hospital accommodation.

Second.—To improve Medical and Surgical knowledge on this special subject, by bringing together a large number of patients afflicted with these diseases, and thus affording opportunities for observation and classification ; and

Third.—In persons suffering from Stone : to investigate the best means of accomplishing its removal with the least possible danger to the life of the patient, and, whenever practicable, to substitute Litholapaxy for Lithotomy.

2. Subscribers of Ten Guineas at one payment, or such as make up their last subscriptions within the year to that sum, are Governors for Life.

3. The Executors of any person who shall have bequeathed a sum of £50 or more to the Institution, and every person who shall have obtained a donation to the Institution to the amount in the aggregate of at least £21, shall be Honorary Governors for Life, with the same rights and privileges as ordinary Life Governors.

4. Subscribers of One Guinea and upwards are Annual Governors.

5. The direction and management of this Charity is vested in the Patrons, President, Vice-Presidents, Treasurer, and Governors for Life. Twelve or more Governors shall be elected annually, who, with the Honorary Surgeons, constitute the Committee of Management, which is subject to the control of the Governors at large at any General Meeting. The Honorary Surgeons and the Honorary Assistant Surgeons shall be *ex-officio* members of the Medical Committee. Other members of the Honorary Medical Staff may be appointed to the Medical Committee by the Committee of Management on the recommendation of the Medical Committee.

6. The Surgeons must be Fellows of one of the Royal Colleges, or Master in Surgery of a University in the United Kingdom, duly registered, and not practising Pharmacy or Midwifery either alone or in partnership. The age of retirement of the honorary staff shall be 65. Any Member of the Medical Staff who, from illness, is absent from the Hospital for three months shall, before resuming his duties, obtain a medical certificate stating that he is capable of carrying these out.

7. No demand upon this Charity exceeding forty shillings shall be paid unless the same has been ordered at a Monthly Meeting of the Committee of Management, and provided for by a cheque upon the Bankers, signed by at least two Members of the Committee of Management, and countersigned by the Secretary.

8. No reward or gratuity is to be taken, directly or indirectly, from any patient, by any person employed in the affairs of this Charity, except such fees as may be sanctioned by the Committee of Management from patients admitted to wards reserved by it for paying patients.

9. The real and personal property of this Charity shall be vested in a Corporate Trustee (hereinafter called the Custodian Trustee) as Custodian Trustee on behalf of the Hospital.

10. The Custodian Trustees shall deal with the property and investments held by it as Custodian Trustee, but as to capital and income as may from time to time be directed by a Resolution of the Committee of Management. The Custodian Trustee shall act on any Resolution of the Committee of Management signed by the Chairman of the Meeting at which any Resolution is passed, and shall be free from all responsibility or liability in respect of all acts and things done in conformity with such Resolution.

11. The Committee of Management may from time to time direct the Custodian Trustee to invest as they may think fit in the purchase of Freehold and Leasehold properties, or in any investments for the time being authorised by law in the case of trust money, all or any part of the existing moneys or funds belonging to this Charity, or such as shall hereafter be applicable for investment, and may from time to time vary such investments into or for any others of a nature hereby authorised, provided that no change of the existing or other investments shall be made without the consent of the Committee of Management.

12. The Deeds, Securities and Certificates of Investments belonging to this Charity shall, while there is a Custodian Trustee for this Charity, be kept in the custody of the Custodian Trustee, and shall only be parted with by the Custodian Trustee in pursuance of directions contained in a Resolution of the Committee of Management.

13. The Corporate Trustee shall be entitled to remuneration for acting as Custodian as may be agreed between such Trustee and the Committee of Management.

14. The Committee of Management shall meet on the last Monday in every month, at five o'clock p.m. precisely, or any other hour that the previous Meeting may appoint, to conduct the general business of the Charity, and order the payment of all sums. Three Members to constitute a quorum. Special Meetings shall be held as often as may be deemed requisite.

15. Every question coming before the Committee of Management, and every question submitted to any General Meeting of Governors for their consideration and approval, shall be determined by a majority of the

Members of the Committee or of the Governors as the case may be present at such respective Meeting. The respective Chairman in each case to have a casting vote in case of equality of votes.

16. All minutes made or resolutions passed at any Monthly or Special Meeting of the Committee of Management shall be submitted at the next Meeting of the Committee of Management for confirmation.

17. No new regulation of the Committee of Management shall pass into law until the same shall have been submitted to a General Meeting of Governors for their consideration and approval.

18. The Committee of Management shall have the power to co-opt one or more additional members to act for the rest of the current year. It shall also have the power to fill any vacant office that may occur in the Hospital or any new office which it deems expedient to create. When making such an appointment to the Medical Staff it shall do so after considering a report on it from the Medical Committee.

19. At the Monthly Meeting in February, the Committee of Management shall consider and make out a list of twelve or more proper persons to fill the office of Members of the Committee for the current year, to be submitted for the approval of the Annual General Meeting of Governors.

20. An Annual General Meeting of the Governors is held at the Hospital on some convenient day in the month of March or April for the purpose of examining such proceedings of the Committee of Management as have taken place during the past year.

PRIVILEGES OF DONORS.

Subscribers of One Guinea and upwards are Annual Governors.

Subscribers of Ten Guineas at one payment, or such as make up their last subscriptions within the year to that sum, are Governors for life.

The Executor of any person who shall have bequeathed a sum of £50 or more shall be an Honorary Governor for life.

Any person who shall have obtained a donation for the Institution to the amount of £21 shall be an Honorary Governor for life.

Any person giving the sum of £50 annually shall have the privilege of naming a bed during that year.

Any person giving £500 shall have the privilege of naming a bed during his or her lifetime.

Any person giving £1,000 shall have the privilege of naming a bed to be maintained during the existence of the Hospital.
